To Whom It May Concern:

I am writing this letter to recommend Sahil Kotak. I had the pleasure of working with Mr. Kotak, starting in February of 2021 on a project for one of our wish children that lasted for 10 months. The wish was to create a coloring app and Sahil delivered on this project very timely and efficiently with his iOS Developer & Web Developer skills. We would absolutely work with Sahil again!

Please let me know if you have any questions or concerns.

Regards,

Becki Smith (she/her)
